

Fire in the Redwoods – 2024 Tour Series

A Deep History of Fire in the Old Growth

Learn to recognize how repeated fires have sculpted the ancient redwood forests of today, while exploring Prairie Creek State Park's historic fire footprints with park managers, cultural fire practitioners, and forest scientists.

When: August 9th, 2024 @ 9:00am – 3:30pm

Registration: **Free!** *Register by August 5th*
