

Join us for a hands-on event
focused on prescribed fire and
fire-resilient land management!

- No prior fire experience is needed, however, these workshops demand physical exertion and may require walking up to 3 miles on steep slopes while carrying a tool.

- Please visit the [Classes and Events](#) page on our website or scan the QR code to sign up and learn more!

- Held on the first four Saturday's of the season (11/14, 12/12, 1/9, 2/13)
- 9am-4pm
- Snacks and water provided

LEARN AND BURN at PEPPERWOOD PRESERVE
